John Denham & Co., Volumen 1:

- Cato's Soliloquy
- When rising from the bed of death
- Who to God's sacred Place resort
- Though I on God alone rely
- Out of the Deep, to Dee I cry
- Blest is the Man who never treads
- The Lord is waited on with Praise
- 'This good our Thanks to God to bring
- Lord, thy Excellence' is known
- **Oh Lord, my God, my song's to thee**
- That Man is blest that fears the Lord
- The spacious Firmament on high
- My Soul, thy Great Creator praise

John Denham & Co., Volumen 2:

- Lord, Receive my doleful Cries
- Lord, why art thou from us so far
- Ye who from Earth, your Mother, spring
- Why should the Wicked's Joy perplex
- To Israel sure our God is kind
- Clap your Hands with one Accord |
- Ye Saints, in your Assemblies raise |
- So God let all the Nations raise
- My Soul to God, her Lord and King
- When all thy Mercies, Oh my God
- The Lord my Pasture shall prepare
- My Soul, with all thy Faculties
- Lord, not in Wrath my Heart deject
- Give Thanks to God, the Holy One
- With Trumpets found God's Holy Name
